FISH STORIES

I do not mind the scoffers and the

That I have stretched the truth about

But it sets my blood to boiling and

EXAMINATION

Of Drafted Men To Begin Today—
County Exemption Board Will
Give Physical Tests in Gov-
ernment Building—Twenty
to Appear Before
Board Today.

First examinations by the Mason
County Exemption Board will begin
today when registrant number 1 in
the liability list will appear before the
board in the Government Building and undergo physical examination for
the new national army. The first
twenty in the list have been notified
to be on hand, and from day to day
others will report.

Each examination will be held sepa-
rately and physicians, attorneys, rel-
atives or other representatives will
not be permitted to accompany the
registered men into the examination
room. After each man is examined
he will be given a certificate of ac-
ceptance or rejection.

Men who are accepted after the
physical examination will be given an
opportunity to appear before the
board, if they have claims for ex-
emption on the grounds of dependent
relatives, and obtain affidavits and
exemption blanks.

Dr. J. H. Hutchins, in charge of the
examinations, says that he will
require an assistant, but as yet the
doctor who will aid him has not been
named.

The Exemption Board has received
a large number of calls for exemption
blanks, which indicates that a large
number of exemption claims will be
presented. It is not believed by the
Board that Mason county's quota can
be secured from the first 240 men
summoned on the first notification
to appear.

Following are those who will be
examined today:

Rector S. Cordray, Grover Frazier,
William H. Mitchell, Albert C. Savage,
Charles W. McElhanan, Frank J.
Seaman, George B. Malone, Charles
Dixon, Samuel Johnson, R. H. Cole,
Samuel O. Grimes, John R. Stevens,

GOVERNORS OF 16 STATES

To Meet at Conference on Coal Prices—
Mines May Be Seized—Attorneys
Say There Are Precedents
For Seizing Mines.

Chicago, August 7 — Initiative in
calling a conference of the governors
of 16 States at Chicago, August 16,
for the purpose of taking concerted
action to reduce coal prices, even to
the extent of seizing the mines, was
taken today by the Illinois State
Council of Defense.

Governor Lowden has been in com-
munication among others, with the
governors of Ohio, Kentucky, Indiana,
Michigan, Wisconsin, Iowa and
Missouri, and they have agreed to
join him in action to reduce the price
of coal.

Operators have protested that the
prices arranged at the recent Federal
conference from \$2.75 to \$3.75 at the
mine should not be disturbed.

Reporting behind closed doors to
the State council, Levy Mayer, Chi-
cago lawyer and chairman of the
Council committee on law and legis-
lation, told the council that the
governor has the power to seize the coal
mines and operate them if necessary,
unless the operators agree to equi-
table prices for their output. Nu-
merous citations were made support-
ing the constitutionality of the State
taking over the operation of the
mines.

The mine owners have retained
counsel and have announced that
radical reductions of prices will be
followed by a series of petitions in
court attacking both the legality of
the action and the law creating the
council.

The State to be represented at
the conference, in addition to those
mentioned, will be Tennessee, West
Virginia, Pennsylvania, Minnesota,
Illinois, Kansas, North Dakota, South
Dakota, Nebraska.

GETTING EVIDENCE

Against Slackers and Those Who
Have Been Making Treasonable
Remarks — Arrests May Be
Made in a Few Days.

County Attorney William H. Rees
was quite busy with the Mason County
Exemption Board yesterday getting
evidence against the slackers in Mason
county. So far there has only
been located one person in Maysville
who did not register. Most of those
who failed to register have left town
and the Board expects to have a little
trouble in locating them. The
evidence secured by Mr. Rees yesterday
will be turned over to the District
Attorney Thomas D. Slattery for
investigation.

Each examination will be held sepa-
rately and physicians, attorneys, rel-
atives or other representatives will
not be permitted to accompany the
registered men into the examination
room. After each man is examined
he will be given a certificate of ac-
ceptance or rejection.

It is understood that several from
this city have been making utterances
of a treasonable nature and their re-
marks will be investigated by District
Attorney Slattery. It is said that one
man in particular advised several who
had to register not to appear for ex-
amination as they did not have to.

It is probable that some evidence of
a very sensational character will be
secured within the next few days and
the guilty parties will be arrested.
The penalty for treason is very se-
vere, and may even be a death sen-
tence.

All the men who are connected with
the new company are well known in
business circles here and their new
project should be a success.

With two creameries in town, the
Maysville Model Creamery and the
new concern, there is no reason why
the farmers of this and adjoining
counties should ship their cream
away to Cincinnati and other mar-
kets as there will be sufficient de-
mand here for the entire supply.

**PATRIOTIC CONFERENCE AT LOU-
ISVILLE**

Washington, August 7 — After an-
other day's debate of the administra-
tion food control bill the Senate to-
day reached a formal agreement by
unanimous consent to finally vote to-
morrow at four o'clock on the con-
ference report which was approved
by the house last week.

Both advocates and opponents of
the legislation said tonight there was
no doubt of the senate's approval of
the conference report, probably by an
overwhelming majority. Sending of
the measure to President Wilson for
his signature will be delayed until
Friday because the House adjourned
today until Friday and the final draft
must be signed by presiding officers
of both houses.

But few speeches are expected in
the senate tomorrow before the vote.

AMERICA'S FUTURE AT STEAK

At the end of three years of war the Kaiser tells his soldiers: "As our problems multiply so does our strength increase. We are invincible. We shall be victorious." Such boasting is a legitimate means of pumping resolution into wearying soldiers, but the Kaiser is consciously and wilfully dishonest when he speaks of his "righteous war of defense," when he denies ever having entertained schemes of conquest, and declares that the war is merely "indefense—of a free empire in which our children may live in security." The Germans were living in perfect security when in the spring of 1914 their conquest-thirsting war lords decided that the time had come to strike unsuspecting Europe with or without a plausible pretext. As far back as 1911 General Bernhardi confided that Germany must achieve "world-denomination or decline." Peace and security did not content the war lords, and after they began to run amuck it became clear that not only Europe but the United States was in danger.

Secretary Lansing stated the manifest and simple truth when in the course of his recent address at Madison Barracks he said: "Let us understand once for all that this is no war to establish an abstract principle of right. It is a war in which the future of the United States is at stake. Every man who crosses the ocean to fight on foreign soil against the armies of the German Emperor goes forth to fight for his country and for the preservation of those things for which our American forefathers were willing to die."

According to the director of the United States Bureau of Mines fully 25 per cent. of this country's coal is wasted through inefficient use. And yet we know thrifty folk who sift their coal ashes and burn all but the dust a second time.

The Kaiser still claims that his fight is for "liberty and independence," but of course he privately understands this to mean liberty to dominate the world.

WARRANTS CHARGING TREASON ISSUED AGAINST ANTI-DRAFT RIOTERS IN WESTERN STATES

Oklahoma City, Okla., August 6—Without waiting for a conclusion of the state's campaign against organized resistance to the selective draft in central Oklahoma, the United States government today moved to punish the 200 men under arrest in connection with armed opposition to military service. Warrants charging treason were served on the prisoners who were taken to the penitentiary at McAlester, or the jail at Muskogee to await trial at which United States District Attorney W. P. McGinnis will ask that the death penalty be imposed.

Announcement that extreme punishment would be asked was expected to aid materially in bringing to terms the few resisters still sheltered in the hills. Posses in three countries—Seminole, Hughes and Pottawatomie reported tonight that isolated groups refused to surrender but that they apparently were discouraged and seeking to avoid an encounter. Except for the fact that several agitators, regarded as leaders in the disturbance and dangerous to remain at large, are among those maintaining a show of resistance, the authorities would be inclined to let the bands break up, confident that the less important members could be arrested later.

Determination of the posse men to run down all of the leaders was strengthened today by confiscation of half a freight car of dynamite which had been run on a siding southeast of Sackwa, in Seminole county. An investigation is being made to establish ownership. The car was unaccompanied.

Clashes between the resisters and the posse have cost three lives and numerous injuries.

MILITARY FUNERAL HELD FOR CHARLES FLEISCHMANN

Bay Shore, N. Y., August 5—A military funeral was held here today at noon for Charles Fleischmann, student aviator in the navy flying corps who was killed Thursday night with George H. Witts, when the hydroplane in which they were flying collapsed. The ceremonies were attended by the young man's parents, Mr. and Mrs. Julius Fleischmann, of Cincinnati, and his fiance, Miss Florence McGregor Sheldon, of Brooklyn.

Witts' funeral also was held today, but it was without military features, as he was not a member of the flying corps.

SICK WOMAN HAD CRYING SPELLS

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Ennau, Pa.—"I was all run down and weak inwardly. I had female troubles and nervous trouble and my head bothered me. I would often have crying spells and feel as if it was not safe. If I heard anyone coming I would run and lock the door so they would not see me. I tried several doctors and they did not help me so I said to my mother 'I guess there is no help for me.' She got me one of your books and my husband said I should try one bottle. I stopped the doctor's medicine and took Lydia E. Pinkham's Vegetable Compound. It soon made a change in me and now I am strong and half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?"

KERENSKY RESPONDS TO CRY OF STRIKE IN RUSSIA; WITHDRAWS RESIGNATION

Petrograd, August 5—Premier Kerensky has returned to Petrograd and withdrawn his resignation. He attended a ministerial meeting on Saturday evening and afterward conferred with various political leaders.

M. Kerensky has issued a manifesto in which he declares that he considers it impossible when the country is threatened with defeat without and disintegration within to refuse the heavy task again entrusted to him, which he regards as an express order from the country to construct a strong revolutionary government to carry out the principles already laid down.

"At the same time," says the manifesto, "I consider it inevitable to introduce changes in the order and distribution of government work without allowing myself to be influenced by the thought that these changes will increase my responsibility in the supreme direction of the affairs of state."

By a vote of 147 to 46 a joint meeting of the executives of the Workmen's and Soldiers' and Peasants' councils confined the decision of the all night political conference of continued confidence in Premier Kerensky.

The Maximalists strongly protested and forty-two of the members of this party abstained from voting.

The Duma committee also has confirmed the vote of confidence in M. Kerensky.

ERZBERGER IS PRESIDENT IN EFFORTS TOWARD PEACE

Geneva, Switzerland, August 5—Deputy Mathias Erzberger, of the German Reichstag, according to the newspaper *Liberte*, of Freiburg, is carrying on the same intrigues and peace propaganda in Switzerland as were conducted previously by Prince von Buelow, former German chancellor.

On Saturday, the newspaper says, he received calls from many neutrals here. His efforts to get in touch with representatives in Berne of the Entente Allies are said to have been unsuccessful so far.

GERMANS CIRCULATE SEDITIONARIES AMONG MEXICANS IN JAUREZ AND OTHER SECTIONS

El Paso, Tex., August 6—Government officials learned today that Maurice Goldner, German consul in Chihuahua City, accompanied General Francisco Margula, commander of the northeastern military zone to Jaurez. A number of other Germans from Chihuahua City also came to Margula's special train, according to the governmental agents.

Reports from Chihuahua City say that the Germans there have been circulating printed propaganda saying that the United States was in the throes of a revolution and that the Mexicans and negroes and Germans and German sympathizers would aid this movement.

The circulars are said to have ended with an appeal to the Mexicans to prepare to strike to regain all Mexican territory lost to the United States. They also have been spread in Jaurez and among the Mexicans of El Paso, according to the local government officials.

WAR TAX BILL REPORTED TO SENATE

Washington, August 6—The war tax bill was reported to the senate today as revised by the Finance Committee to meet the latest estimates for war expenditures.

The majority report was submitted by Chairman Simmons, who explained that the committee's revision of the house bill was on the principle of raising revenues with the least burden upon the public. A substitute report with substitute bill is expected from Senator Lafollette, Senators Gore and Thomas also plan a separate report.

Senator Simmons' report stated that a flexible scientific war tax superstructure had been constructed by the senate committee for the imposition of war taxes—the largest tax budget in American history—as well as for future tax increases declared probable.

Income, war profits, liquor and tobacco tax increases, the majority report pointed out, form the nucleus of the revised bill.

MAY TAKE WORK

Washington, August 6—Delay in the completion of the repairs on the interned German ships as a result of labor disputes may cause the navy department to take the work out of the hands of contractors.

Secretary Daniels today telegraphed the shipbuilding companies which are putting the seized vessels in shape for the seas, requesting that he be informed immediately as to the status of the work.

TO AILING WOMEN

A Little Sound Advice Will Help Many a Sufferer in Maysville

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off when the kidneys are well, are retained in the body when the kidneys are disordered. If the kidneys and bladder become inflamed and swollen worse troubles may quickly follow. This is often the cause of bearing-down pains, lameness, backache, etc. Uric poisoning is also frequent cause of headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that has proven effective in thousands of such cases. Let a Maysville woman tell of her experience.

Mrs. J. C. Hays, 493 W. Second St., Maysville, says: "About six years ago, I suffered from a severe attack of kidney trouble. My back first became lame and ached dreadfully. Pains shot through it clear up to my shoulder blades. My kidneys were irregular in action, too. A few boxes of Doan's Kidney Pills, which I got at the Chenoweth Drug Co., helped me a great deal. My kidneys became normal and the pains left my back. I have used Doan's Kidney Pills for a similar attack since and they have proven satisfactory."

Mrs. Hays is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Hays had—the remedy backed by home testimony. 60c all drug stores. FORGET IT!

New York, August 5—It is no more sinful to drink yourself into the gutter than to worry yourself into the grave, in the opinion of the Right Rev. Charles E. Woodcock, Episcopal bishop of Kentucky, who delivered an address here tonight at the Cathedral of St. John the Divine.

"People are getting life badly mixed up," he said. "They are shortening their lives by ten years by senseless worry. Worry weakens the heart and hardens the arteries. People are carried away by the mistaken idea that one can't live without worry."

"Worry is an evil. It destroys more than rum or vice. It is as sinful as drinking or gambling. It is a guilty, sinful and cowardly thing. It is always a personal weakness."

FINAL NOTE SENT TO GERMANY BY ARGENTINE GOVERNMENT

Buenos Aires, August 5—Dissatisfied with the progress of negotiations with Germany growing out of the sinking of the Argentine steamer *Toro*, the Argentine government has broken off discussions that were being conducted with the German minister here and has sent a final categorical note to Berlin requiring a clear and final reply to the Argentine demands with in a reasonable time.

The reply is expected within eight days. During this time it will be decided if relations with Germany shall be broken if the response from the German foreign office is a negative one.

REPRESENTATIVES OF ALL EN-

TENTE POWERS ARE PRESENT

AT WAR COUNCIL.

London, August 7—A war council, the results of which may be momentous, started today. It was a continuation of the conference recently held in Paris. Many of the men most prominent in the conduct of the war participated in the conference which was presided over by David Lloyd George, British premier.

Among those about the council

table were Premier Ribot and Minister of War Painlevé of France; Baron Sonnino, the Italian foreign minister; A. J. Balfour, the British Foreign secretary, and Arthur Henderson and the other members of the British war cabinet. All the Entente Allies, in fact, were represented by either ambassadors, ministers or special representatives.

It is understood that the council

started consideration in order of all the great questions involved in the war. It is desired to have perfect concert of action and to provide for every possible development so that there may be no friction. One of the big questions is the Balkans and another is the Russian situation. The part the United States will play in future development was discussed.

GIRL BROUGHT HERE FROM CIN-

CINNATI TO BE TAKEN TO

STATE ASYLUM

Lillie Breckenridge, colored, who formerly resided in the county and who was sent to the State Hospital for the Insane at Lexington some time ago, was brought to this city from Cincinnati yesterday afternoon by Dr. Mack of the Cincinnati branch of the Ohio Social Service Department. The girl was released from the State Hospital several months ago as her condition was somewhat improved and she went to Cincinnati to make her home. After going to the Queen City her condition grew worse and she was taken in charge by the proper authorities and ordered returned to this city. County Judge W. H. Rice yesterday communicated with the Superintendent of the State Hospital at Lexington about the girl and this morning one of the attendants arrived to take the girl back to Lexington, where she will be taken care of.
